

Computer Programming Final Project

Our “Bang” Game!

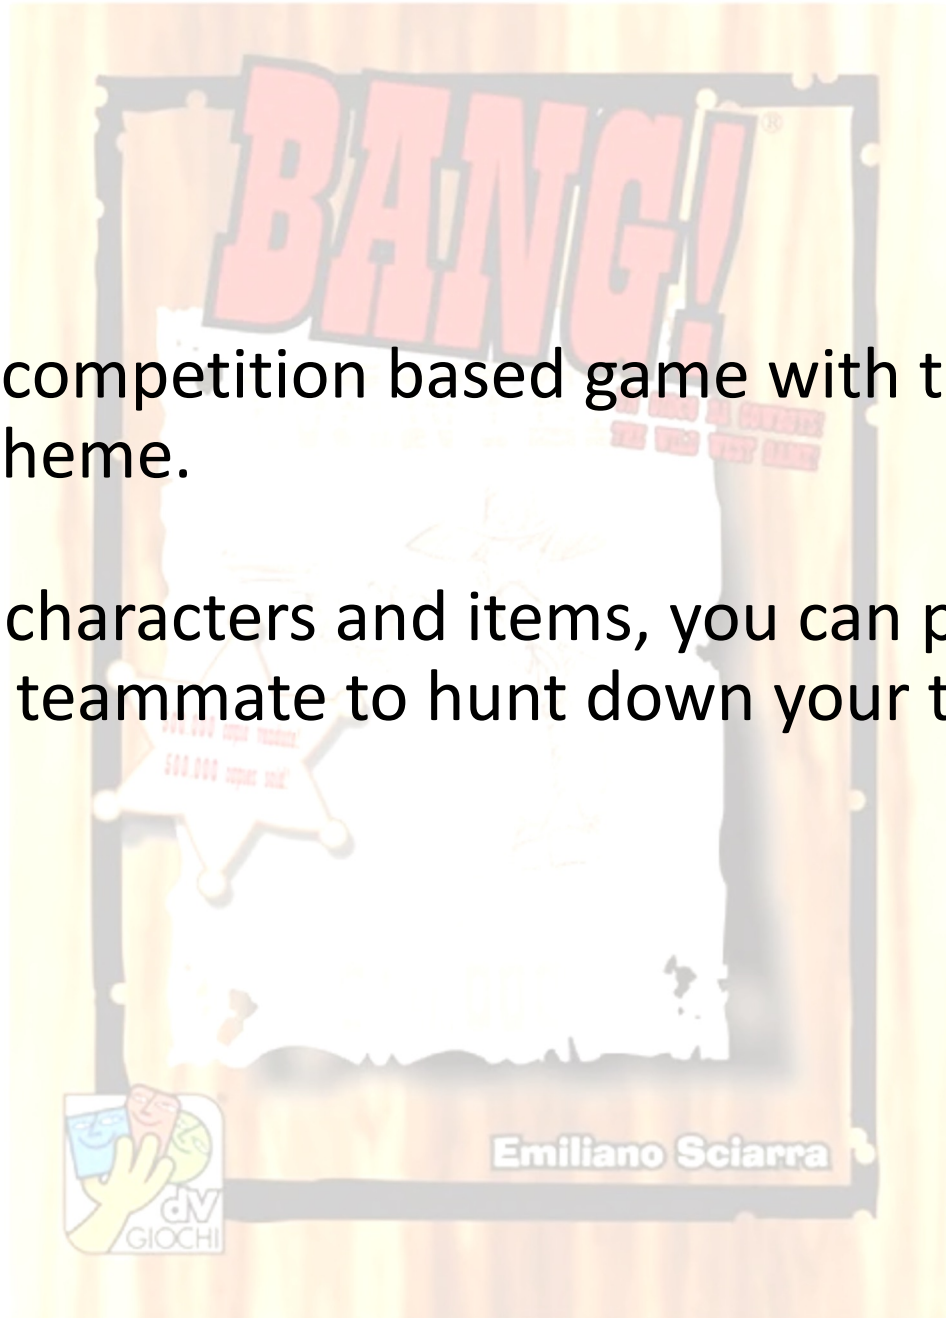

Emiliano Sciarra

Bang!

"Bang!" is a faction-competition based game with the old-fashion western shoot-out theme.

With many kinds of characters and items, you can plot your own strategies with your teammate to hunt down your targets!

BANG!

BY BANG! AN OUTSTANDING
THE VERY BEST CLASS

Features

500,000 super heroes!
500,000 super villains!

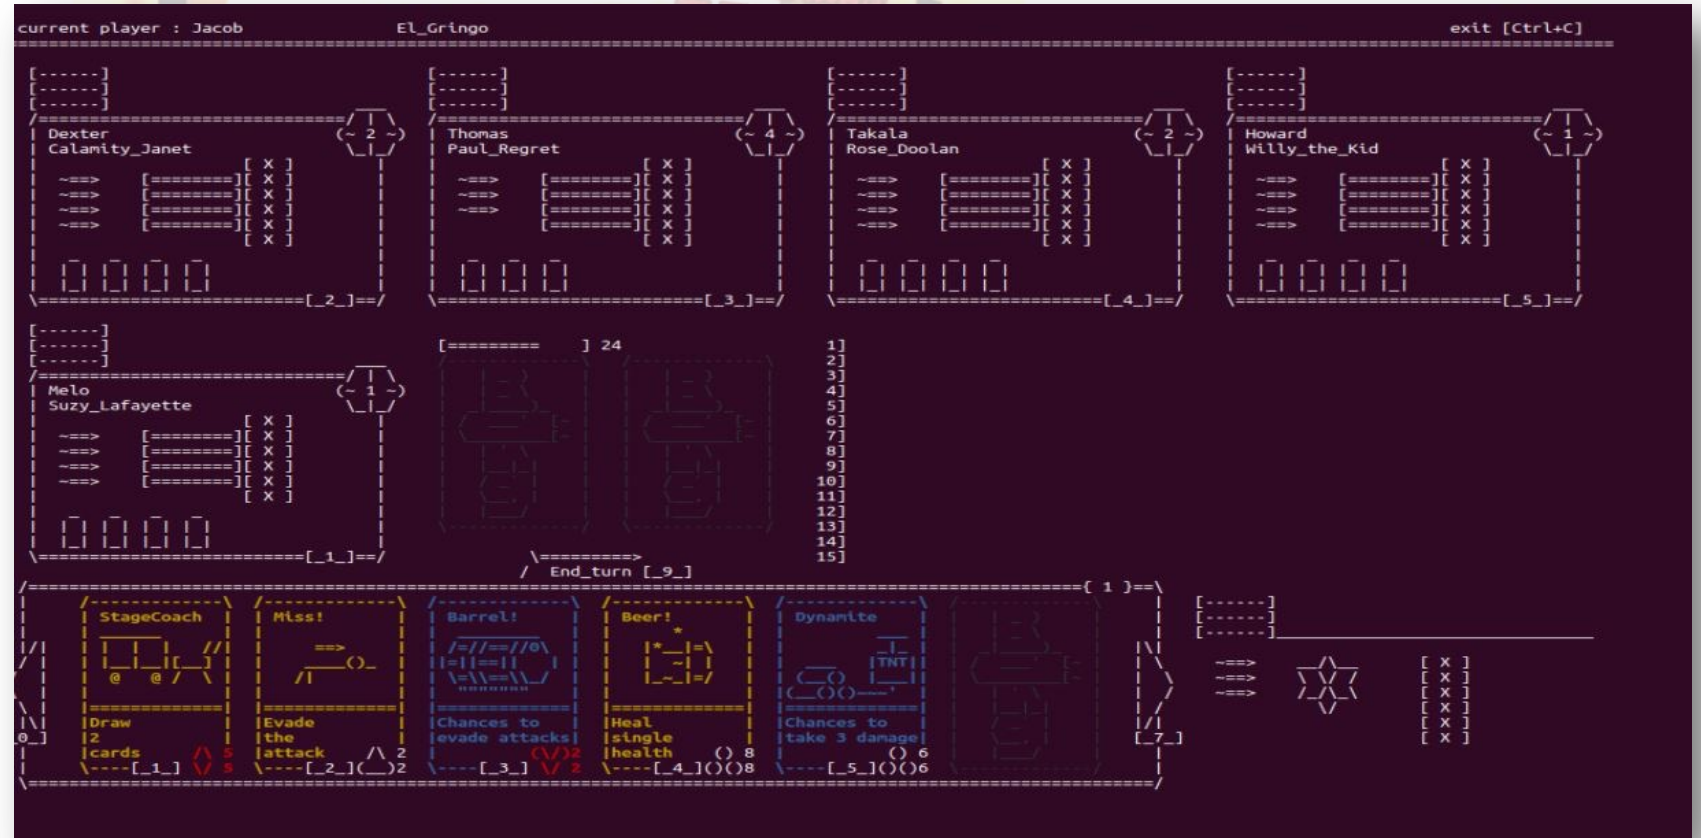

Surprise!

Emiliano Sciarra
